

MAY
THE HAPPINESS
OF
CHRISTMAS
BE YOURS

Love,
Jim & Vicki

Hi - bet you're pretty busy
getting ready for Christmas!
We sure are getting excited
about our trip - every thing's
arranged now so all we have
to do is get a few more warm

things to wear.

We plan to do our
Christmas shopping in Moscow
so we'll be a little late in
getting into the mail to you!!
And were going to try to take
loads of pictures. I hope
the weather is clear and not
at its coldest when we're
there!

We'll be thinking of you
all.

Love.
